MADE IN SWEDEN

We are driven by the belief that all people are entitled to more nature. Deep forests, high mountains and open waters. Simply more outdoors.

Proven under Swedish conditions for decades, our campware is made to be trusted. Anywhere and everywhere. All of our products are made with carefully selected materials.

# THE ORIGINAL FOLD-A-CUP®

It started with an idea for the perfect product. Now, more than 35 years later The Original Fold-A-Cup® has become a classic, found all around the world. Probably because it's made to go where ever you go. The Fold-A-Cup® pops open from it's folded position to form a cup or bowl. The Fold-A-Cup® can hold up to 2,5dl liquid but, is just 2,5cm when folded. The fold also ensures that it won't drip after emptied. We are proud that The Fold-A-Cup® has been classified as a work of art by Svensk Form Copyright Panel. The Fold-a-cup is BPA-free.

Volume: 2,5dl/8oz • Weight: 25g/0,88oz • Size: 9,4x7,2x2,9cm/3,7x2,8x1,1" • Material: TPE

# FOLD-A-CUP® BIG

Let's make a great product even greater! The Fold-a-cup Big is designed to fit The Original Fold-a-cup® in its center even when its folded. The Fold-A-Cup® Big pops open from its folded position to form a cup or bowl. It can hold up to 6dl liquid, but is just 4 cm when folded. The fold also ensures that it won't drip after emptied. The Fold-a-cup Big is BPA-free.

Volume: 6dl/20oz • Weight: 46g/1,62oz • Size: 12x10,5x3,9cm/4,7x4,1x1,5" • Material: TPE

# SPORK

The Wildo® Spork is the hybrid utensil where you get all your cutlery in one and still have a good grip. Zip your soup, hook your food, just turn 90° and cut with your knife. It's lightweight and durable and all you need for a light meal in the outdoors. The Spork fits nicely in the original Camp-A-Box.

The Wildo® Spork is BPA-Free

Weight: 8,5g/0,3oz · Size: 16,5x4,8/1,5cm/6,5x1,9/0,6" · Material: PP

# SHAKER

Why lower your demands on a tasty meal just because you are outdoors?  
The Wildo® Shaker helps you spice it up a bit. In one Shaker you can keep up to three different, separated spices. In need for more spices just pack one more Shaker.  
Make every outdoor dinner worth it!  
The Wildo® Shaker is BPA-Free

Weight: 18g/0,63oz • Size: 5,9x4,5cm/2,3,x1,77,1" • Material: PP

# CAMP-A-BOX®

## COMPLETE

Camp-A-Box® Original is the compact mess kit developed to meet all your requests and still not weigh an ounce more than needed. The materials are well selected, making the Camp-a-box functional, durable and lightweight. So even when nature tests you, you will know that you are up for it. Camp-A-Box® Original meets all your needs and comes in three versions.

# KÅSA ARMY

The Kåsa Army is inspired by the classic Swedish Army mug.  
It's ideal for the outdoors and adapted to both eat and drink from. The pear shape form makes it steady and easy to hold. The handle is provided with a hole for easy attachments. The Kåsa Army is stackable for minimum space consumption.  
The Kåsa Army is BPA-Free

Volume: 3dl/10oz • Weight: 49g/1,oz • Size (incl. handle): 15,5x9,9x6,4cm/6,1x3,9x2,5" • Material: PP

# KÅSA BOWL

The Kåsa Bowl is a timeless bowl inspired by the Nordic Sami mug. The round shape makes it well balanced and solid. The handle enables a good grip as well as the possibility for hang attachments. Kåsa Bowl is provided with measuring lines, making it a multitasking bowl, perfect to eat and drink from. Its simplicity is its strength. The Kåsa Bowl can be stacked together for minimal space consumption and is suitable as alternative accessory in the Camp-A-Box Original. The Kåsa Bowl is BPA-Free

Volume: 3,5 dl/1,25oz • Diameter: 11,5cm/4,53" • Height: 4,3cm/1,7" • Weight: 36g/1,25oz • Material: PP

# KÅSA XL

The Kåsa XL is the largest kåsa in the Wildo line. It can hold a little bit over 9dl/30 fl.oz. It's shape and size makes it universal to both eat and drink from or even use as a scoop. Further more the Kåsa XL is equipped with a hole in the handle that enables it to be attachable to your pack. The Kåsa XL is provided with measuring lines up to 8dl/28 fl.oz. The Kåsa XL is BPA-Fre

Volume: 9 dl/30 fl.oz • Diameter 15,5cm/6" • Height: 6cm/2" • Weight:80g/3oz • Material: PP

# CAMPER PLATE FLAT

The Camper Plate Flat is the perfect outdoor plate, provided with a good grip area, making it possible to enjoy your meal anytime, anywhere. The Camper Plate Flat can be stacked for minimal space consumption. In addition, the Flat and Deep Camper Plate can be stacked together. The Camper Plate is BPA-Free

Weight: 68g/2,4oz • Size: 15,5x2,1cm/5,7x0,83" • Material: PP

WILLOO

# CAMPER PLATE DEEP

The Camper Plate Deep is the perfect outdoor plate, provided with a good grip area, making it possible to enjoy your meal anytime, anywhere.

The Camper Plate Deep can be stacked for minimal space consumption. In addition, the Flat and Deep Camper Plate can be stacked together.

The Camper Plate Deep is BPA-Free

Weight: 82g/2,9oz. • Size: 15,5x4,4cm/5,7x1,7" • Material: PP

# HIKER BOTTLE

The Wildo® Hiker Bottle is inspired by the classic Swedish Army Flask, often used in rough terrain. It comes with a carabiner, allowing easy attachment to packs, belts or just about anything for quick access. The slim design makes it easy to handle while the rugged surface on the sides enables a good grip.

The Hiker Bottle is BPA-Free

Volume: 7dl/24oz • Weight: 78g/2,75oz • Size: 20x10,5cm/7,9x4,1" • Material: PE-HD

# FIRE FLASH®

The Fire-Flash is our effective and reliable fire steel. It works in every situations and in all different weather conditions. Just drag the striker hard against the rod to create sparks. The edge of the strikers is serrated to give better friction and longer usage. If the Fire Flash comes in contact with water just dry it off and use as normal. The Fire-Flash is functional, durable and lightweight.

LARGE: Weight: 45g/1,59oz • Length: 9,2cm/3,62"

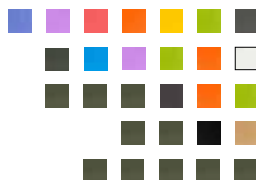

SMALL: Weight: 30g/1,06oz • Length: 10cm/3,94"
